## Nicolau Maquiavel Baixar

O Príncipe (em italiano, *Il Principe*) é um livro escrito por Nicolau Maquiavel em 1513, cuja primeira edição foi publicada postumamente, em 1532. Trata-se de uma das teorias políticas mais elaboradas pelo pensamento humano, e que tem grande influência em descrever o Estado desde a sua publicação até os dias de hoje, mesmo os sistemas de governo já serem variados. No mesmo estilo do *Institutio Principis Christiani* de Erasmo de Roterdã, o intuito de *O Príncipe* é descrever as maneiras de conduzir-se nos negócios públicos internos e externos, e fundamentalmente, como conquistar e manter um principado, ou seja, um guia para como se chegar e manter-se no poder.

Maquiavel deixa de lado o tema da República que será mais bem discutido nos *Discursos sobre a primeira década de Tito Lívio*. Em vista da situação política italiana no período renascentista, existem teorias [carece de fontes] de que o escritor, tido como republicano, tenha apontado o principado como solução intermediária para unificar a Itália, após o que seria possível a forma republicana.

O tratado político possui 26 capítulos, além de uma dedicatória a Lourenço II de Médici (1492-1519), Duque de Urbino. Mediante conselhos, sugestões e ponderações realizadas a partir de acontecimentos anteriores na esfera política das principais localidades de então, o livro pretendia ser uma forma de ganhar confiança do duque, que lhe concederia algum cargo. No entanto, Maquiavel não alcançou suas ambições.

É este livro que sugere a famosa expressão os fins justificam os meios, significando que não importa o que o governante faça em seus domínios, desde que seja para manter-se como autoridade, entretanto a expressão não se encontra no texto, mas tornou-se uma interpretação tradicional do pensamento maquiavélico. Alguns cursos de administração de empresas fazem leituras aparentemente deturpadas de tal obra, afirmando que, se uma empresa for gerida considerando as metódicas análises do autor, essa conseguiria prosperar no mercado.

Nesta obra, Maquiavel defende a centralização do poder político e não propriamente o absolutismo (como muitos pensam [carece de fontes]). Suas considerações e recomendações aos governantes sobre a melhor maneira de administrar o governo caracterizam a obra como uma teoria do Estado moderno.

Uma leitura apressada ou enviesada de Maquiavel pode levar-nos a entendê-lo como um defensor da falta de ética na política, em que "os fins justificam os meios". Para entender sua teoria é necessário colocá-lo no contexto da Itália renascentista, em que se lutava contra os particularismos locais. Durante o século XVI, a península Itálica estava dividida em diversos pequenos Estados, entre repúblicas, reinos, ducados, além dos Estados da Igreja. As disputas de poder entre esses territórios era constante, a ponto de os governantes contratarem os serviços do *condottieri* (mercenários) com o intuito de obter conquistas territoriais. A obra de Maquiavel revela a consciência diante do perigo da divisão política da península em vários estados, que estariam expostos, à mercê das grandes potências da Europa.

**O PRÍNCIPE PDF** - Are you looking for eBook O Príncipe PDF? You will be glad to know that right now O Príncipe PDF is available on our online library. With our online resources, you can find O Príncipe or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. O Príncipe PDF may not make exciting reading, but O Príncipe is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with O Príncipe PDF and many other ebooks.

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with O Príncipe PDF. To get started finding O Príncipe, you are right to find our website which has a comprehensive collection of manuals listed.

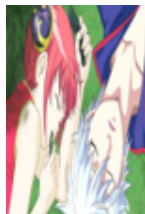

Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Applied Numerical Methods With Matlab Solution Manual 3rd Edition PDF. So depending on what exactly you are searching, you will be able to choose ebooks to suit your own needs.

Here is the access Download Page of O PRÍNCIPE PDF, click this link to download or read online:
